SUMMARY

Creative director and brand designer who started out on film sets and now builds founders, brands and products through strategic content and storytelling. Owns the full creative loop: research, strategy, scripting, direction, editing, publishing and reading the numbers. Recent work includes growing a founder's LinkedIn audience from 4.2K to 11.4K followers, taking an AI product from 20 to 350+ users, and building a new AI agency's brand from launch day.

KEY ACHIEVEMENTS

- ~3x follower growth and ~30K impressions across founder and brand accounts
- 350+ product sign-ups for GotCOS, an open-source AI chief of staff
- 50+ pieces of content shared and 15 campaigns live across brands
- Assistant Creative Director on The Silent Prayer, a feature film scored by Maestro Ilaiyaraaja

PROFESSIONAL EXPERIENCE

Brand Designer, Forward Company | Jun 2026 – Present

AI-first agency helping businesses become AI native.

- Built the agency's brand from launch day: identity, positioning and campaigns.
- Ran competitive research across multiple agencies on positioning, campaign strategy and creative approach, and turned the insights into campaigns that sharpened the agency's market positioning.
- Owned the launch videos end to end, from concept and script to edit, communicating the brand's identity, values and vision.
- Designed promotional posters to the brand identity, planned the post-launch content calendar and wrote LinkedIn copy for the team.

Brand Designer – Growth, Hermitcrabs | Oct 2025 – Present

HubSpot CMS development and design agency with 300+ websites delivered.

- Led content across event films, product announcements and product walkthroughs.
- Created the event films for HubSpot's yearly conference (INBOUND 2025, UNBOUND 2026): concept, script, voice-over, edit and motion.
- Produced product walkthrough videos showing clients exactly what they are getting, including the Prialto client portal and the HubCat project portal.
- Developed content strategy and campaigns that put the agency's people and culture on screen to build credibility and generate qualified leads.

Creative Head, Grekam Academy, Coimbatore | Jun 2025 – Oct 2025

Learning academy.

- Led the creative side of the academy: marketing and branding concepts, videos, posters and social posts.
- Ran regular workshops to train junior designers and interns.

Visual Designer (Contract), Mellow | Jan 2025 – Jun 2025

Retrospective tool that helps remote teams reflect, celebrate wins and grow together.

- Created expressive, brand-aligned sticker sets that support async communication inside the product and became part of how people interact in the app.
- Designed for fun, delight and clarity, in line with Mellow's playful yet clean tone.
- Understood and expanded the design language to create new visual extensions.

Product Designer (Contract), Freelance | Jul 2024 – Present

Feedback management platform: a lightweight tool for upvoting, tagging and resolution tracking.

- Designed user flows and interfaces focused on usability.
- Worked closely with the product manager and senior designer to refine ideas, adapt to user needs and create a scalable, intuitive feedback experience.
- Supported fast-paced iterations in a startup environment, shaping a simple, effective system for capturing and managing user feedback.

Freelance Creative, NotSoFlashy | Aug 2023 – Present

Independent creative practice.

- Branded photography, cinematography (DOP), scriptwriting, voice-overs, editing and graphic design for brands, often end to end from first idea to final file.

Assistant Creative Director, Palampur Talkies | Dec 2022 – Jul 2023

The Silent Prayer, a feature film scored by Maestro Ilaiyaraaja; premiered at the Red Lorry Film Festival.

- Led the storyboards and shaped the set, prop and visual direction; designed sets and props in Photoshop with the art direction team and contributed to the graphic design and costume colour palette.
- Ran costume, art department and locations.
- Contributed at script readings, played a key role in talent acquisition and auditions, and coached artists on Tamil dialect nuances for the shoot.
- Supported the director as assistant director through pre-production and production, and worked with the director and art team on the film's marketing.

Cast Member, Nakkalites | 2022

Tamil comedy channel.

- Part of the recurring cast.

SELECTED PROJECTS

Miles Ukaoma – Founder Brand, LinkedIn and Podcast | Aug 2025 – Present

- Content strategy and personal branding for a Rio 2016 Olympian and SVP of Marketing at Quilt; grew his LinkedIn audience from 4.2K to 11.4K followers.
- Research, scripts, content calendars, talking points and ghostwritten posts; since December 2025 runs the weekly loop of research, script, edit, publish and analytics.
- Built an AI voice model trained on his speech to draft posts in his voice from each video's context.
- Shaped the format of CrispyMile, his podcast with Chris DuBois; prepared questionnaires and hosted.

GotCOS – Product Launch | 2026

- Content strategy for an open-source AI chief of staff, built around the line "high performers build better systems"; grew users from 20 to 350+.
- Scripted and edited the launch and tutorial videos and prepared assets for the GotCOS hackathon.

Product Design Case Studies

- AMPLE: an emotionally intelligent wellness app designed not just to track mental health but to nurture it with gentleness and intention.
- In Our Paws: a pet adoption app designed to make finding and welcoming a new companion easier and more humane.
- Rebranded a local banana stock vendor into an online marketplace.

EDUCATION

Bachelor's in Visual Communication, Clusters Institute of Media and Technology, Coimbatore | 2020 – 2023

Specialised in photography, film and video production.

FILM AND SCREEN

- Vindhya Victim Verdict V3 – feature film debut, cast
- Luv – short film, written, directed, edited and acted
- Favourite Medicine – short film, production manager, DOP and art
- Also cast in the short films Ugavar, Perspective, The Arrival and The Visitor
